# Three Questions

Discovering life's answers through three essential questions.

## DEFINITION

Three Questions is a story about a king seeking answers to important life questions. It teaches the value of understanding time, people, and actions.

## KEY CONCEPTS

### The Three Questions

The story revolves around three key questions: What is the right time to act? Who are the most important people? What is the most important thing to do?

### Self-Reflection

The king's journey emphasizes the importance of self-reflection in making wise decisions.

### Importance of the Present

The narrative highlights that the present moment is crucial for making impactful decisions.

### Value of Relationships

Understanding who matters most in our lives is essential for personal growth and happiness.

### Actions Over Words

The story illustrates that actions speak louder than words in achieving meaningful outcomes.

## EXAMPLES

→ Helping a friend in need is more important than planning for the future.

→ Taking action in the moment can lead to unexpected positive results.

→ Prioritizing family and friends over work commitments can enhance life satisfaction.

## MEMORY TIPS

★ Remember 'Time, People, Actions' to recall the three questions.

★ Use the acronym 'TPA' for quick reference.

★ Visualize the king's journey to reinforce the story's lessons.

## COMMON MISTAKES

✗ Confusing the order of the three questions.

✗ Focusing too much on the future instead of the present.

✗ Neglecting the importance of relationships in decision-making.

## QUICK RECAP

The story of Three Questions teaches us to value the present, prioritize important relationships, and act wisely. Remember the key questions to guide your decisions in life.
