Beginner lessons for Interview English

Master the Basics of Interview English for Success!

DEFINITION

Interview English focuses on the language and skills needed for job interviews. It helps beginners communicate effectively and confidently during interviews.

KEY CONCEPTS

Common Interview Questions

Familiarize yourself with typical questions like 'Tell me about yourself' or 'What are your strengths?'

STAR Technique

Use the STAR method (Situation, Task, Action, Result) to structure your answers.

Professional Vocabulary

Learn key terms related to your field to demonstrate knowledge and professionalism.

Body Language

Maintain good posture, eye contact, and a firm handshake to convey confidence.

Follow-Up Questions

Prepare to ask insightful questions at the end of the interview to show interest.

EXAMPLES

- I have experience in project management and teamwork.
- My greatest strength is my attention to detail.
- I am excited about this opportunity because I admire your company's values.

MEMORY TIPS

- ★ Remember STAR: Situation, Task, Action, Result for answering questions.
- ★ Use the acronym PACE: Prepare, Answer, Confirm, Engage for interview flow.
- ★ Visualize a successful interview to build confidence and reduce anxiety.

COMMON MISTAKES

- ✗ Not researching the company before the interview.
- ✗ Using informal language or slang.
- ✗ Failing to ask questions at the end.

QUICK RECAP

Interview English is essential for effective communication in job interviews. Focus on common questions, the STAR technique, and professional vocabulary to impress employers.
