Beginner lessons for Vocabulary

Master Basic Welsh Vocabulary with Fun and Easy Lessons!

DEFINITION

> Welsh vocabulary encompasses the words and phrases used in the Welsh language. Beginner lessons focus on essential words to help you communicate effectively.

KEY CONCEPTS

Basic Greetings

Learn common phrases like 'Helo' (Hello) and 'Diolch' (Thank you) to start conversations.

Numbers

Familiarize yourself with numbers 1-10 in Welsh, such as 'un' (one) and 'dau' (two).

Common Nouns

Identify everyday objects like 'cath' (cat) and 'ci' (dog) to expand your vocabulary.

Days of the Week

Learn the names of the days, such as 'Dydd Llun' (Monday) and 'Dydd Gwener' (Friday).

Simple Adjectives

Use adjectives like 'braf' (nice) and 'mawr' (big) to describe nouns.

EXAMPLES

→ Helo, sut wyt ti? (Hello, how are you?)

→ Mae'r ci yn fawr. (The dog is big.)

→ Dydd Mercher yw hi. (It is Wednesday.)

MEMORY TIPS

★ Associate words with images, like picturing a cat when you hear 'cath'.

★ Create rhymes or songs to remember phrases.

★ Use flashcards with Welsh on one side and English on the other.

COMMON MISTAKES

✗ Confusing similar-sounding words, like 'cath' and 'ci'.

✗ Forgetting to use the correct gender for nouns.

✗ Mispronouncing vowel sounds, which can change meanings.

QUICK RECAP

Beginner Welsh vocabulary focuses on essential words for communication. Key areas include greetings, numbers, and common nouns. Practice regularly to build confidence and fluency.
